

# My Work Search Areas

---

**Most jobseekers are willing to travel up to 90 minutes each way to look for work –** by expanding your travel area you can increase the range of opportunities that are available to you.

Completing this activity will help you **identify 5 new areas that you can search for jobs**, to help you complete this we suggest you use a travel planner (links to various planners can be found [here](#)) Your Work Coach will be able to arrange access to a computer if required.

You will be informed when you need to complete this activity by and what happens next.
