Dear Ms Bowles,

I am replying to your Freedom of Information request to the College, which was received by the Freedom of Information Officer on 26th January 2018.

For clarity here is your original text:

Please could you provide me with some specific data from your Equal Opportunities Monitoring Forms for the recruitment of Junior Research Fellows/Postdoctoral Research Fellows (Stipendiary and Non-stipendiary) for the last 10 years.

I would like anonymised statistics pertaining to unsuccessful applicants' gender, age, ethnicity, disability, sexual orientation, and religion.

I would like anonymised statistics pertaining to successful applicants' gender, age, ethnicity, disability, sexual orientation, and religion.

We do not hold the requested data and are therefore unable to provide it. Recruitment Monitoring Forms are returned anonymously and not linked to applicants, hence we are not able to distinguish between data from successful and unsuccessful candidates.

If you wish to request a review of this response, you should write to me at the above address in the first instance. The entire set of correspondence will be passed for review to another person in the College. If you are dissatisfied with the outcome of a review, you have the right to make a complaint to the Information Commissioner's Office.

Yours sincerely,

Prof. A. J. Parker
Principal Bursar
