Dear Mr Fernsby

Freedom of Information Request

Thank you for your request for information

Your request has been processed in accordance with Freedom of Information (Scotland) Act 2002.

The Scottish Fire and Rescue Service (SFRS) cannot provide the floor plans for Tollcross Fire station.

The SFRS must take sensible precautions in response to changing threat levels and ensure that our own measures are proportionate to any prevailing risk and to disclose floor plans of any of our fire stations has the potential to pose a risk to our premise and employees.

In line with the terms of the Freedom of Information (Scotland) Act 2002, Scottish Fire and Rescue Service has in place a procedure by which a review of the way in which we handle requests for information can be carried out. If you are dissatisfied by the way Scottish Fire and Rescue Service have dealt with your request or about any decision made by them in connection with your request, and wish a review to be carried out, please inform me of this by 30 April 2024. In doing so, it would be helpful if you could state the matter, which has given rise to your dissatisfaction. Staff not involved in the original decision will handle any review.

Should you not be satisfied with the outcome of our review, you have the right to appeal to the Scottish Information Commissioner within 6 months. The Commissioner will decide whether your request has been dealt with properly, in accordance with the Act.
