Dear karamat iqbal

I can confirm that the information requested is held by Birmingham City Council. I have detailed below the information that is being released to you.

Request

Please would you kindly let me know the number and percentage of your population who are of Kashmiri or Kashmiri/Pakistani heritage.

Response

Thank you for your request enquiring about the number and percentage of people of Kashmiri/Pakistani heritage living in Birmingham.

The 10-year population census asks people about their ethnic group. There are 17 categories available for people to choose from as well as an 'Other' category. If you chose 'Other' you could describe your other group in more detail.

There were 7,148 or 0.7% of the population who said they were Kashmiri according to the 2011 Population Census.

Please quote the reference number 15569226 in any future communications.
