Dear Terry Moriarty,

Your request was received on 27 February 2018 and I am dealing with it under the terms of the Freedom of Information Act 2000 ('the Act').

You asked:

I would like to request statistics for successful Law applicants for the 2018 Apply Cycle (for 2018 entry or deferred 2019 entry); I would also like it to be sorted by the offering college of each respective applicant:

The Cambridge Law Test score.

The predicted A-level/IB grade of each applicant; or in the case of post-qualification candidates, for this fact to be indicated as well as the achieved A-level/IB grade of each applicant.

Whether a candidate was pooled; and if so, by which college the candidate was put in pool.

The breakdown of nationalities of successful applicants by offering college.

This requested information is attached. We have split the information across multiple tables to prevent the identification of any individual. In presenting the information in this way, the University is engaging the exemption at section 40(3)(a)(i) of the Act because its release would breach the first data protection principle (the fair and lawful processing of personal data) as set out in Schedule 1 of the Data Protection Act 1998. This part of section 40 confers absolute exemption under the Act. Please note that the attached document should not be copied, reproduced or used except in accordance with the law of copyright.

If you are unhappy with the service you have received in relation to your request and wish to make a complaint or request an internal review of this decision, you should write to Dr Kirsty Allen, Head of the Registrary's Office, quoting the reference above, at The Old Schools, Trinity Lane, Cambridge, CB2 1TN or send an email marked for her attention to foi@admin.cam.ac.uk. The University would normally expect to receive your request for an internal review within 40 working days of the date of this letter and
