

3. Referral Waiting Times FY 2019 and FY 2020

Waiting Times for Patients Under 18 Referred to Secondary Mental Health Services.

(referral receipt in FY ending 2019 and 2020, age under 18 at referral receipt, excludes Single Point of Access service, waiting time calculated from referral receipt to first attended contact)

Note: Source data received up to April 2020, so waits that extend beyond that reporting period not covered in the dataset. Differentiation between initial assessment and start treatment not available.
