Please find attached a submission for today's box, which is for the Minister to note.

This is to inform the Minister that the merger between Southwark and Lewisham FE corporations is proceeding, following Lewisham Corporation's decision earlier this week to accept the property, rights and liabilities of Southwark.

Timing: Routine

This submission is connected to PO case number 299955 (letter from the Institute of Education which refers to the merger) which was submitted through Lynx yesterday: it would be helpful if the two were placed together in the Minister's box. [REDACTED] is aware)

Thank you, [REDACTED]
