Dear Ms Simmons

FREEDOM OF INFORMATION ACT 2000 – LIABILITY INSURANCE

Thank you for contacting Worcestershire County Council.

Your request for information has now been considered and the information you have asked for is enclosed.

Your request and our response:

1. Does an employee of the Council have to have Liability Insurance and is this a Legal Requirement? I would like to request to be informed of the Policy that is used.

No

2. Should a Service User request to see a copy of some one's Liability Insurance who works for the Council, do they have to send it to them? If not under what circumstances can they refuse?

Not applicable – see answer to question 1

3. Does a Service User have to provide a reason to request to see a copy of the said Liability Insurance? I can confirm in my case, that reasons were given.

Not applicable – see answer to question 1

4. If an employee of the Council admits to making mistakes writing the mistakes down wrong all the time, blaming heavy caseloads hence a service user requests assurance in writing this will never happen again in the best interests of the public, do they have to abide by the Service User's request and when also, it is in the public's best interests? If not can I request to be informed of the reasons why not?

We are not able to answer this question under the Freedom of Information Act 2000 as it is not a request for recorded information.

5. Can I request to be shown any relevant links relating to Liability Insurance for the said request to enable me with my request for both the public's best interests and myself?

Not applicable
