# Service Points Open to the Public at 31st March 2011 (to be used in section 1 of the questionnaire)

Auto-filled cells below are produced on previous returns and should be checked and updated

If the Service point is no longer in operation, simply delete the cell contents (NOT the row).

Use one line for each service point (including mobile libraries). If a mobile, please just select "Mobile" under column (iii).

The data entered below will be used to calculate the number of service points and the average opening hours (cells 1 to 12).
