I have sent an e-mail to my CofC reminding them of this and put it down for the 22/23 June

I have spoken to the other RDA user the NRA at Bilsey, they are also keen to look at the feasibility of the RPAS for clearing the RDA

On Monday I will look into booking a room and food for you in Brunswick camp, it is a transit camp so require your own bedding or maggot

Good Morning

I am following up this request, we are back in work (never left), I am happy to travel and conduct this task to ascertain the RPAS capability to achieve your aim.

Obviously some hoops to jump through following COVID-19 restrictions.

Is your complex open to enable me to assist in this task, if you are content for it to happen I can inform my CoC to enable permissions to conduct on your behalf.

Regards
