

1029568

Please provide a list of all organisations that the DH has communicated with (via email, letter, phone, or email) on the matter of smoking control and smoking cessation in the last 12 months, whether initiated by DH or the organisation in question.

1029572

Please provide information on the value for money evaluation process for the public money awarded to the anti-smoking charity Action on Smoking and Health, including the external parties involved and the metrics used in this process to guarantee its objectivity.

1029359

Please provide the annual cost of all consultants and freelance staff who worked on smoking control and smoking cessation issues for the DH, for the most recent period that is available.

1029366

Please provide a list of all staff who work on smoking control (and smoking cessation) issues (whether policy, implementation or monitoring etc) within the DH, and their salaries. Please include staff who work one day a week or more on these issues.

1029379

Please provide the last 12 months correspondence between DH and the World Health Organisation (WHO) on the subject of smoking cessation and smoking control

1029394

Please provide a list of all meetings within the DH on the subject of smoking control and smoking cessation within the last 12 months, with the names of all attendees and the topics discussed

1029408

Please advise the last year's figure for public money devoted to smoking cessation and smoking control, including spending by DOH agencies and grants given to charities,

1029415

Please provide copies of the last 12 months correspondence between DH and Action on Smoking Health (ASH) UK.

1029427

Please advise me of the last year's annual expenditure on bupropion, varenicline and other pharmaceutical smoking cessation products

1029799

Please provide all correspondence over the past 5 years between DH and Robert West, Editor-in-Chief of Addiction Journal, Professor of Health Psychology and Director of Tobacco Studies at the

Cancer Research UK Health Behaviour Research Centre, University College London, co-director of the National Centre for Smoking Cessation, co-author of the English National Smoking Cessation Guidelines and consultant to numerous pharmaceutical conglomerates that develop and manufacture smoking cessation medications including GSK, JJ and Pfizer.

Given that Prof Robert West is a paid consultant for the pharmaceutical lobby, please advise how his conflicts of interest are handled, and how the DH ensures that his evaluation of pharmacological and behavioural aids to smoking cessation and his training programmes for medical staff are free of conflicts of interest.

1030039
