Dear Joe,

Freedom of Information request: reference 45035

Thank you for your email of 14 August 2017.

Section 8(1) of the Freedom of Information Act 2000 requires that a request for information must state the full name of the applicant, or at least an initial and surname within the signature or email address of the request. Your email does not do this. We are therefore refusing your request because it does not meet the requirements for a request for information under the Act.

If you provide your full name we will consider your request again.

Yours sincerely

J. Douglas
