Dear Mr Hallworth

Freedom of Information Act 2000 – Request for Information

We are pleased to respond to your request for information and our response is set out below:

1 Provide me with a list of stakeholders, community engagement champions, community assets or other groups that have been previous to this date been consulted on the Right Care Right Time Right Place and/or Care Closer to Home and/or hospital reconfiguration proposals.

It is important to note that 'engagement' and 'consultation' are different. 'Engagement' is the informative stage, where information is gathered, the CCG can listen to people's ideas and views, and consider the findings to develop the plans. The way the CCG undertakes engagement is set out in our Patient and Public Engagement and Experience Strategy, which is available on our website.

The CCG set out within the Right Care, Right Time, Right Place Pre-Consultation Business Case the engagement process followed to date. This can be viewed at: www.rightcaretimeplace.co.uk. Engagement has now concluded.

'Consultation' is governed by a formal legal process. Greater Huddersfield CCG will not be starting formal consultation until Tuesday 15th March 2016. We have not yet consulted anyone on Right Care, Right Time, Right Place and/or Care Closer to Home and/or hospital reconfiguration proposals. Once we have started the consultation process we will consult a range of stakeholders, community engagement champions, community assets and other groups.
