Dear Sir

Request under the Freedom of Information Act 2000

Thank you for your request made under the Freedom of Information Act 2000 relating to live viewing time of Desborough CCTV camera, which we received on 15th August 2022. I can confirm that North Northamptonshire Council holds the information requested. Please find our response below.

During each individual month of June and July 2022 how many hours, or parts of hours, of video from a Desborough CCTV camera have been viewed live by a human operator at the NNC CCTV control room at Kettering?

Camera patrols are made every hour and all cameras are viewed. This normally takes about 20 minutes. June additional hours are approximately 2 hours and 39 minutes and July additional hours are 6 hours 33 minutes.

You may re-use the information under the terms of an [Open Government Licence](#).

I trust the above is helpful. However, if you are dissatisfied with the way we have handled your enquiry or you are unhappy with the response provided, you have the right to request an internal review. You can do this by emailing datarequests@northnorthants.gov.uk Please quote your reference number.

Please note a request for an internal review should be submitted no later than 40 working days from the date of receipt of this response. The Council is not obliged to accept a request for an internal review beyond this timeframe. A full response to your request for a review will be provided within 20 working days.

If you remain dissatisfied with the Council's internal review, you have the right to appeal to the Information Commissioner's Office (ICO). It is recommended that you contact them no later than 3 months from the date of our final response, using the contact details below:-
