Dear Mr Watson,

Response to your Freedom of Information (FOI) request: FOI20161028

Thank you for your email of 28 October 2016. You have requested the following information under the Freedom of Information Act 2000:

Please tell me how many loans and amounts have been made since May 2013 to Northumberland County Council.

Please give me the total loans outstanding at this time to Northumberland County Council

The UK Debt Management Office's (DMO's) response is as follows:

Please tell me how many loans and amounts have been made since May 2013 to Northumberland County Council.

The Public Works Loan Board (PWLB) is a statutory body operating within the DMO through which central government channels loans to local authorities for capital spending. Two loans have been advanced to Northumberland County Council since May 2013 and these were in October 2014 and December 2014 respectively. Details regarding all loans advanced to local authorities can be obtained from the PWLB website and date back to October 2010. The website link is below http://www.dmo.gov.uk/index.aspx?page=PWLB/PWLB_Monthly_Loans_Report

Please give me the total loans outstanding at this time to Northumberland County Council

Please find attached a spreadsheet which provides details of all loans outstanding with Northumberland County Council as at 30 September 2016.

Yours sincerely
