Dear Mr Martinson

### Request for Information – ATISN 8357

Thank you for your requests for information which I received on 10 April 2014. As these requests are identical I will just be providing the one response. My understanding of what you have asked for is, a summary of the Local Transport Fund bids received (including proposed outputs, match funding proposals and past and future year costs), their assessments by Welsh Government and City-Region Boards where relevant, and a list of Local Transport Fund bids accepted.

Please let me know if this is not an accurate description of the information you have requested.

The request you sent me contains personal data about you - for example, your name and e-mail address. I will only use this personal data in accordance with the Data Protection Act 1998 to deal with your request and any matters which arise as a result of it. I will keep your personal data and all other information relating to your request for three years from the date on which your request is finally closed. Your personal data will then be disposed of securely.

I will be happy to advise and assist you further with this request. My contact details are at the foot of this letter.

Any information released under the Freedom of Information Act 2000 or Environmental Information Regulations 2004 will be listed in the Welsh Government's Disclosure Log. I expect to write to you again by 13 May, 2014.

Yours sincerely
