

Our Ref: IM-FOI-2020-2934
Date: 14 January 2020

FREEDOM OF INFORMATION (SCOTLAND) ACT 2002

I refer to your recent request for information which has been handled in accordance with the Freedom of Information (Scotland) Act 2002.

For ease of reference, your request is replicated below together with the response.

Locations and seriousness of road accidents involving cyclists in Glasgow since January 2014 inclusive, with particular emphasis on locations.

Please find at the bottom of this letter a table providing locations and seriousness of road accidents involving cyclists as requested above.

Should you require any further assistance please contact Information Management – Glasgow on 01786 895877 quoting the reference number given.

If you are dissatisfied with the way in which Police Scotland has dealt with your request, you are entitled, in the first instance, to request a review of our actions and decisions.

Your request must specify the matter which gives rise to your dissatisfaction and it must be submitted within 40 working days of receiving this response - either by email to foi@scotland.pnn.police.uk or by post to Information Management (Disclosure), Police Scotland, Clyde Gateway, 2 French Street, Dalmarnock, G40 4EH.

If you remain dissatisfied following the outcome of that review, you are thereafter entitled to apply to the Office of the Scottish Information Commissioner within six months for a decision. You can apply [online](#), by email to enquiries@itspublicknowledge.info or by post to Office of the Scottish Information Commissioner, Kinburn Castle, Doubledykes Road, St Andrews, Fife, KY16 9DS.

Should you wish to appeal against the Office of the Scottish Information Commissioner's decision, there is an appeal to the Court of Session on a point of law only.

As part of our commitment to demonstrate openness and transparency in respect of the information we hold, an anonymised version of this response will be posted to the Police Scotland Freedom of Information [Disclosure Log](#) in seven days' time.

Table 1**RTCs by severity in Glasgow which involved a cyclist, broken by area command and severity**

OFFICIAL

Serious	1	1	1	1	-	1
Slight	1	1	1	1	2	5

All statistics are provisional and should be treated as management information. All data have been extracted from Police Scotland internal systems and are correct as at 09/01/2020.

* Data prior to 2019 was extracted from legacy Road Crash systems. The implementation of the new CRASH system was rolled out in June so figures for 2019 are an amalgamation of legacy data (up to 25th May) and the new CRASH data.
