Dear Paul,

Freedom of Information Response

Thank you for your request which has been processed under the Freedom of Information Act 2000 (FOIA).

In your email you have requested:

‘Under the Freedom of Information Act please provide a list of all currently active UK National Lottery retailers (terminal locations) in Excel format. Information about each retailer should include the following data:

Business name

Full street address (including any secondary location information such as suite number)

County / District name

City

Postal code

Retailer type - e.g. grocery store, filling station, stationary store, etc (if possible).’

The FOIA provides individuals with the right to request recorded information held by public authorities such as the Gambling Commission, at the time the request is made. It does not impose any obligation on authorities to retrieve information from other organisations or to create information which was not already recorded at the time a request is made.

Please see the attached information we can provide falling within the scope of your request. This data is accurate as of 10 June 2024 and the retailer name in the document is dependent on what information the retailer provided to Allwyn.

Please note, the Gambling Commission do not hold the following data:

- County/District name
- Retailer Type.
