Grand Total						£ -	£ -	£ -	£ -	£ -	£ -	£ -	£ -	£ -	£ -	£ -	£ -	

Note (1) Lump Sum for Reactive Activities only covers individual works whose permanent repair is estimated to cost less than £1400 and requires a response with 7 days.

Note (2) Reimbursement for "Inspection of Highway Structures", "Site Investigations", "Design Services" is only available through the Schedule of Rates.

Note (3) Only provision of the Winter Service will be reimbursed through a Lump Sum; treatments will be reimbursed through the SoR

Note (4) One twelfth of the Annual Lump Sum will be paid to the Contractor each month for provision of the activity unless agreed otherwise with the Employer

Note (5) The Contractor should indicate the amounts that are directly related to TUPE liability for the provision of the above Required Lump Sums and Price List Items and Task Orders under this Employers Call Off Contract. A full breakdown should be provided separately of how the figures have been calculated.

NB The breakdown of the total Limp Sum prices by elements is to assist the Employer in determine the viability of any bid received and to enable the Employer to understand the costs associated with the Service requested. Any changes to the Lump Sum prices will only be made in accordance with the Contract.
