Our Ref Fol 44542

Dear Mr Taylor

Freedom of Information Request: Trees at Alexandra Gardens

Thank you for your request for information relating to the above. Your request has been considered under the Environmental Information Regulations 2004.

I enclose a copy of the information you requested. The information comprises of the correspondence in which this request was made and other material held by the council on which the council has based its published assertion that the trees are causing structural damage.

The only information I have redacted is the name and address of the third party claimant under the Data Protection Act and any reference that would identify them, including the insurance company's job reference number.

The City Council are arranging a public meeting on the 15th October regarding the trees at Alexandra Gardens, to which you will be invited as a respondent to the earlier consultation.

If you are unhappy with the way the authority has handled your request, you may ask for an internal review. Please contact simon.payne@cambridge.gov.uk who will arrange an internal review of your case.

If you are not content with the outcome of the internal review, you have the right to apply directly to the Information Commissioner for a decision. The Information Commissioner can be contacted at:

Information Commissioner's Office
Wycliffe House
Water Lane
Wilmslow
Cheshire
