Dear Ms Hayhurst

Environmental Information Regulations 2004
Request for Information - Review of Exemption Decision

Further to your recent request for access to environmental information held by East Riding of Yorkshire Council. You have asked that the Council review its handling of your request for information. Specifically you believe that it is in the interests of transparency that a letter to the council should be made public. A senior manager will carry out a review of the handling of its request and its response within 20 working days. We will write further with the outcome of the review.

Yours sincerely

Information Governance and Feedback Team
