Dear Lauren

Thank you for your request regarding the management organisational structure of all mental health, learning disability and physical health services within our Trust, including the team name, phone number and team managers name.

Your request has been considered and processed in accordance with the requirements of the Freedom of Information (FOI) Act 2000.

Hertfordshire Partnerships University Foundation Trust (HPUFT) is a mental health trust and therefore does not hold organisational charts for physical health services. However, I have attached organisational charts for our Strategic Business Units.

I can advise that the information you are requesting regarding structure charts for our HR, Estates (Facilities and Capital Projects), and Procurement (Supply Chain) departments are already available in the public domain. Therefore, in line with the FOIA, Exemption Section 21 (information is accessible by another means) has been applied and a link to the relevant information is detailed here under [FOI 2018](#). Roles and responsibilities of the Trust's Executive Directors and Non-Executive Directors can be found here in our [Annual Report](#) on Page 16-20.

The most up to date HPUFT management contact details can be accessed through [Binley's Database of NHS Management](#).

Should you require further clarification, please do not hesitate to contact me.

Please find enclosed an information sheet regarding copyright protection and the Trust's complaints procedure in the event that you are not satisfied with the response.

Yours sincerely

Sue Smith
