Dear Mr Levine

**REQUEST FOR INFORMATION UNDER THE FREEDOM OF INFORMATION ACT
2000**

Please find below TfGM's response to your Freedom of Information request received at this office on 20 October 2014.

Information requested: "provide an electronic copy of the Manchester Metrolink Working Timetable valid from Monday 20th October 2014. To clarify this timetable shows all the journeys with their running numbers, including to and from Depot(s) workings and duty numbers, for Monday - Fridays, Saturdays & Sundays. I would also appreciate a list showing the double tram running numbers for Mondays to Fridays. I would prefer this information in Excel spreadsheet format."

The Metrolink service is operated by Metrolink RATP Dev Ltd (MRDL) on behalf of Transport for Greater Manchester. The attached working timetables are indicative only.

Please note the working timetables are for operator's use in order to best schedule and deliver their services. Metrolink is run, and the operator paid, on frequencies of service, e.g. 12 minute or 6 minute frequency, and not adherence to these indicative timetables.

The following relates to the running of double unit services:

- All Bury-Altrincham trams are operated as doubles (sets 19 – 28)
- Rochdale to East Didsbury trams are operated as doubles for the following sets 52, 53, 54, 55 & 60 only.

If you are not satisfied with the response in this letter you may ask for an internal review. If you would like an internal review you should contact me in the first instance. My e-mail address is at the end of this letter.
