For the attention of: kasturba Lalbhai  
Our Ref: FOI 16178

Dear Sir

Thank you for your request under the provisions of the Freedom of Information Act 2000, where you asked for information regarding legal officers involvement.

We are writing to inform you that we have searched our records and the information you requested is not held by Chiltern District Council. Legal officer's advice is destroyed in accordance with corporate document retention policies after six years and therefore advice dating back 7 years to March 2010 has been destroyed.

We hope this answers your questions, but if not, you can contact us (details below) with your query quoting the FOI number at the top of this page. You can also seek an internal review of your request if you remain unhappy with the outcome. Ultimately you can complain to the Information Commissioner should you remain dissatisfied, having exhausted the authority's internal review procedures. If you would like more information about the role and work of the Information Commissioner go to the website [www.ico.gov.uk](http://www.ico.gov.uk).

Yours faithfully

CHILTERN DISTRICT COUNCIL
