Hi Liz

Hope to receive the foreword if at all possible today but if not, Friday (I'll even stretch the publishers to the weekend, but don't tell anyone I said so!)

I have a special leather bound edition with a 36 page index for you and I've also donated a copy as a prize for the ICO DPO Awards. We'll have these ready in a few weeks' time, so I spoke to Robert about arranging a short photo opp with you handing the prize of the GDPR edition to the overall winner at some date soon.

So sorry I can't be in Manchester for then ICO Conference as I'm speaking on a platform with Helen Dixon in Dublin. at a GDPR Conference in Ireland.

I'd really like to speak at the ICO conference next year...

Another bit of good news (we need some good news, don't we just!) is that I became the first privacy consultant in the UK to help Hitachi Consulting achieve BS 10012:2017 (PIMS) - the first global company in the UK to do so. BS 10012:2017 was launched last year by the BSI with a little help from ICO!

The BSI are thrilled and there's been quite a bit of media interest in this positive news story - encouraging other organisations to put data protection, privacy and security at the centre of their thinking and thinking 'customer first.' It's always about reputation, not just regulation and Hitachi Consulting are a great case study on point.

I think all your hard work has started to pay off as the messages about the opportunities and ability to do more- not less- with personal data have started to filter through.

Hope to hear from you soon.

Ardi

PS: Have you got the meeting in the diary with Lord Mayor Charles Bowman? Let me know when that's scheduled.

Hi Liz

I know you are busy (a bit) and you very kindly agreed to write a few words of introduction to the attached opus on GDPR.

If you could possibly work your magic, it would mean a lot to me.

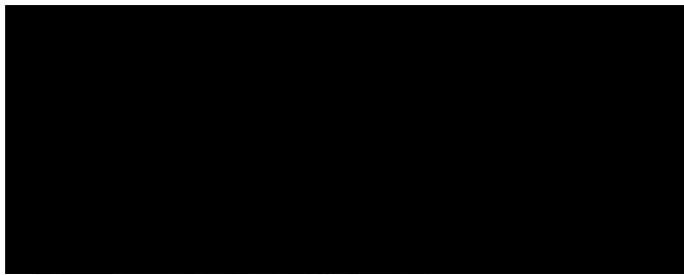

Draft attached.

Thank you SO MUCH!!!!

Best wishes

Hi Liz

Hope you are putting your feet up and taking it easy (☺) Obviously it's a bit of a slow year for you!

I'm very happy to say that Kogan Page have landed the proof of the GDPR Handbook (attached) and I would be very honoured if you would write the foreword to it.

I understand that many ICO members are taking the opportunity to access the GDPR Transition Programme, and I'm very proud to be supporting you and the team.

Please see attached and please get back to me no later than 29 March.

Best wishes

Subject: Thank you for your kind support for the GDPR Handbook
Importance: High

Dear friends, colleagues and endorsers of the *GDPR Handbook*

On behalf of myself and the publisher Kogan Page, we are very grateful for the kind endorsement of my latest book, *The GDPR Handbook*. Your good thoughts, good words and good deeds are incredibly important to me, both personally and professionally. Thank you so much for your kind support.

It was important to me that each one of you (all BCC on this message) received a copy of the book as a small token of my sincere appreciation. I hope that by now you have received your copy. If for any reason that hasn't happened as yet, would you kindly let me know and I will personally look into this for you. I have also copied my colleague [REDACTED] at Kogan Page to this message, so any problems, please respond to me and copy to [REDACTED] who is super-efficient!

The book is of course a massive commitment in terms of time and effort - in fact there was a production team of about 6 people at Kogan Page! I would be extremely grateful if you would recommend this as essential reading for those colleagues in your company and organisation as well as clients and partners that you feel would benefit from understanding and applying its contents and who need to get to grips with implementing the GDPR.

The book is available globally via [Amazon](#) as well as directly from my publisher [Kogan Page](#) and other book retailers.

What would be fantastic is if you would like to order multiple copies for colleagues and clients and a special discount has been arranged for you to do just that. If this is of interest, please contact [REDACTED] at Kogan Page;

[REDACTED] or telephone [REDACTED] on [REDACTED].

For marketing opportunities, or information about promoting the book, please contact [REDACTED] at Kogan Page; [REDACTED] or telephone [REDACTED] on [REDACTED].

If you are interested in me speaking at a future conference/event/seminar, then please do feel free to get in touch with me.

Best wishes
