Notes	Application Year	Figures are grouped by UCAS application year. The 2017 application year ran from applications opening in September 2016 to Confirmation in August 2017.
	UMS	A Levels in England are currently undergoing a period of significant reform. Many applicants applying from October 2016 onwards will be following linear, rather than modular, A level syllabuses meaning that UMS is no longer available in a number of subjects. UMS and SUMS data provided in this request is as supplied by the applicant at the point of entry, but may also include linear marks incorrectly presented as such.
