Request	<p>Please send all held maths entrance papers prior to 1992. 1992-1995 are found here http://www.mathshelper.co.uk/oxb.htm , and I suspect any former ones will be in a similar format, if this would assist in locating them. I am particularly interested in the remainder of this paper " http://www.mathshelper.co.uk/Oxford%20Admissions%20Test%20Unknown.pdf " of which only three questions have been found. However, please send all the papers you can find.</p> <p>Please include the following information in addition to the papers held,</p> <ul style="list-style-type: none">-For what range of years were these tests issued?-How many years are stored-For the papers that cannot be found, please explain whether they have been destroyed or not, otherwise suggest another public authority whom I should request them from.

Dear James Lambert,

I write in reply to your email of Friday 11 October, requesting the above information.

Unfortunately, we do not hold any such records prior to 1996.

Yours sincerely
