Dear Morag McCall,

Thank you for your Freedom of Information request which we received on 18 May 2016.

You asked:

*'When completing a Personal Independence Payments application form, claimants can name three medical professionals that they would like ATOS to contact regarding the claimant's medical condition and their ability to meet the indicators of the PIP assessment. Of total PIP claims, I would like to know the number of gps or other medical professionals contacted by ATOS prior to appeal and when an appeal is pending.'*

In response I can confirm that Atos will not be involved in the appeals process and therefore this information is not available.

You can view the Freedom of Information Act 2000 via the following link:
