Dear Ramtin Salamatpoor,

Your request was received on 8 January 2016 and I am dealing with it under the terms of the Freedom of Information Act 2000 ('the Act').

You asked:

I am requesting a spreadsheet on undergraduate admissions statistics to the A100 Medicine course for post A-Level applicants at Cambridge Medical School from the following admission cycles:

2015 entry, 2014 entry and 2013 entry

I would like the spreadsheet to include:

1) For each applicant interviewed I would like to know what A-Levels they have completed (the grade achieved), their GCSE results and their BMAT scores (divided between Section 1, Section 2, and Section 3) I would like the same for those who were not interviewed.

This information is not held by the University. All interview processes for entry to undergraduate degree courses at the University are set and managed locally by each of the individual Colleges and therefore we do not hold information on whether or not an applicant was interviewed. Each of these 31 Cambridge Colleges is a separate public authority under the Act. A full list is published at:

<http://map.cam.ac.uk/colleges/>

Please note that all of these Colleges admit to the Medicine degree course apart from Clare Hall, Darwin College, Homerton College and Hughes Hall.

If you are unhappy with the service you have received in relation to your request and wish to make a complaint or request an internal review of this decision, you should write to Dr Kirsty Allen, Head of the Registry's Office, quoting the reference above, at The Old Schools, Trinity Lane, Cambridge, CB2 1TN or send an email marked for her attention to foi@admin.cam.ac.uk. The University would normally expect to receive your request for an internal review within 40 working days of the date of this letter and
