

Reference: FOI 33723 WIL 99N

Subject: Medication Prompts

I can confirm that the CCG does hold the information requested; please see responses below:

QUESTION	RESPONSE
<p>The definition of 'prompting' is: 'the action of saying something to persuade, encourage or remind someone to do or say something'. Prompting of medication is reminding a person of the time and asking if they have or are going to take their medicines</p>	
1. Do you fund Medication Prompts?	No – however the Local Authority may do.
2. If yes, under which funding budget line/service is it allocated? (i.e Pharmacy, IPP, CHC, DTOC etc)	Not applicable
3. Do you joint fund Medication Prompts with your local Adult Social Service Department?	Not applicable
4. How many clients do you currently fund?	Not applicable

5. What is your predicted annual spend for Medication Prompts?	Not applicable
6. How long / Since when have you funded Medication Prompting Service?	Not applicable

The information provided in this response is accurate as of 26 November 2019, and has been authorised for release by Susannah Long, Governance and Risk Manager for NHS Wiltshire CCG.
