

### **F3. ARTIFICIAL TRANS FATS REMOVAL PART 1b – ANNUAL UPDATE**

#### **Annual Update**

Partners are asked to report their progress on delivering against the pledge, by the end of April each year.

The annual update is divided into two sections – quantitative and qualitative. The quantitative section includes a series of measures that are intended to map partners' progress on delivering against the pledge. Completion of the qualitative section is optional.

#### **F3. Artificial Trans Fats Removal Pledge**

**Part 1b – We are working to remove artificial trans fats from our products within the next 12 months.**

#### **Annual Update: Quantitative Section**

1) Please indicate if partially hydrogenated vegetable oil (p-HVO) used as an ingredient has been removed from all your products/menu items/SKUs?

- ☐ Yes  
☐ No

2) Please indicate if the level of trans fats in oil and fats used in the preparation of food e.g. frying oil, is limited to a maximum of 2%?

- ☐ Yes  
☐ No

If you have answered NO to either of the above questions please answer questions 3 and 4.

3) How many products/menu items/SKUs are still to be reformulated?

4) When will this reformulation be completed?

### F3. ARTIFICIAL TRANS FATS REMOVAL PART 1b – ANNUAL UPDATE

#### Commentary

*If you wish, you may provide a short commentary on the data provided in this section for example when p-HVO was removed, when a frying oil was changed. If you have other comments for example on issues that have prevented delivery of the pledge, please indicate this in the next section (qualitative) of the annual update. There is a 200-word limit when completing this section.*

### F3. ARTIFICIAL TRANS FATS REMOVAL PART 1b – ANNUAL UPDATE

#### **Annual Update: Qualitative Section (completion of this section is optional)**

**Please set out the progress you have made on delivering this pledge.**

*This section provides you with an opportunity to describe the progress you have made on delivering against this pledge and the changes you have implemented in order to deliver on this commitment. For example, describe the steps/activity you have undertaken and what processes you have put in place to ensure artificial trans fats are not used in future and saturated fat levels are not increased.*

*You may wish to indicate if your delivery plans for this pledge had to be modified and whether there were any unintended consequences that arose from delivery of the pledge.*

*You may wish to set out any issues, which have prevented you from delivering this pledge and how you intend to make further progress.*

*You may wish to direct interested observers to company documents or reports where you have already given details of progress on your Responsibility Deal pledges. If appropriate, please provide a web-link.*

*There is a 500-word limit when completing this section.*
