

Invitations to meeting and responses

FOI Request: FOI/OPCC/20-023

23rd July 2020 @ 11:23 – Email from Consultation@cambs.pnn.police.uk (Catherine Kimberley) to Cllr Nicky Massey

Re: Meeting to discuss consultation

Dear Cllr Massey

I am following up on your request for Cambridge city councillors to have an opportunity to discuss the Milton consultation.

We have identified the following dates and times:

- Monday 27th July, a 45 min slot between 5 and 7pm
- Tuesday 28th July, again a 45 min slot between 5 and 7pm

I wanted to send these dates to you as soon as possible so you can check your availability and share with any other city councillors that may wish to join the meeting.

The meeting will be held via Microsoft Teams (an invite will be provided) and will be an opportunity for you to ask questions relating to the current consultation on the proposal for a new police station in Milton.

To clarify, the Councillor briefings that were recently reinstated following the lockdown, are regular opportunities for the Commissioner to update councillors on topical initiatives and also an opportunity for councillors to raise any local policing issues with a representative from the Constabulary.

These are advertised on our website and will in future be shared with all district councillors for information as per your request at yesterday's Panel.

A link to the advertised dates can be found here: <https://www.cambridgeshire-pcc.gov.uk/whats-new/events/>.

Re: Milton consultation

Dear Cllr Massey

I wanted to check whether any of your city council colleagues will be attending tomorrow evening's meeting at 5pm?

If not, perhaps you would prefer to email your questions in directly and I will make sure answers are provided?
