Dear Mr Richer-Smith

Thank you for your email of 14 September 2020, requesting the following information:

**"Please could you provide me with a complete history for the following vehicle:
Chassis Number: 911-17391-C**

This vehicle has two ERM's so can you provide details for both please. I assume the second ERM may relate to a MOD engine swap but without information from yourself I do not know for sure.

**Original ERM: 97RN95
Additional ERM: 38BT29"**

Your request is being handled in accordance with the Freedom of Information (FOI) Act 2000.

We have tried to undertake a search of Ministry of Defence (MOD) records against both vehicle registration numbers and the chassis number you have provided, but it is proving difficult to identify your vehicle. To help a more detailed search to be undertaken would you be able to provide a photograph of the Vehicle Identification Number (VIN) plate and, if possible, one of the MOD Form 654 that would have been provided when the vehicle was sold to you?

If you can provide this additional information, we would be pleased to try and process your request further. Please send the photographs to the email at the head of this letter and quote the reference number FOI2020/10243.

If you have any queries regarding the content of this letter, please contact this office in the first instance.
