Dear Mr Robertson

Internal Review: Freedom of Information Request FOI 13 12933

On 23rd September 2013, South Tyneside Council received your request to conduct an internal review of your Freedom of Information request reference 12933.

Your original request asked for **“Would you please provide me with the date that the Council purchased the Streamline Garages Building, South Shields.**

Would you please advise me when this building is scheduled for demolition.”

The internal review of your request was held on 24th September 2013. The Review Panel consisted of Mike Harding (Head of Legal Services) and Gill Hayton (Solicitor and Deputy Monitoring Officer). Paul Robinson (Corporate Lead Corporate Affairs) and Dave Patterson (Information Governance Team) attended the review hearing for the purposes of providing information and answering queries from the Panel, but did not take any part in the review decision making process.

The Panel when making its decision considered the history of your original request and the responses provided to you by the Council.

The Council's original response to your request is shown below:

The Council considers that the information requested falls within section 21 of the Act and as such the information requested is reasonably available by other means and is therefore exempt from disclosure. This is an absolute exemption and the Council does not need to consider the public interest test before relying upon the exemption.

The information requested is publicly available with the Land Registry.

Would you please advise me when this building is scheduled for demolition,
The building is not yet scheduled for demolition, but this will be disclosed in the future.

Internal Review Response

The Internal Review Panel agreed to uphold the original FOI Request response, that the Council considers that the information requested falls within section 21 of the Act and as such the information requested is reasonably available by other means i.e. via the Land Registry and is therefore exempt from disclosure.
