Dear M Esslemont

Internal Review 003962/19

I write further to your emails of 04/11/2019 in which you requested a review of your Freedom of Information request, concerning NRM referrals.

I have conducted and concluded an Internal Review. My decision is to overturn the original decision, a revised response is attached.

Should you be dissatisfied with this decision, you may make application to the Information Commissioner at www.ico.org.uk for a decision on whether the request for information has been dealt with in accordance with the requirements of the Freedom of Information Act 2000.

Yours sincerely

John McGuire
