Dear Sir

COMMONS REGISTRATION: C.L.22

I am writing with reference to the notices of objection No. 800 and 801 dated 8 October, 1970 relating to the above mentioned unit number, to say that the Commissioners' records have been re-examined and it has been found that the area coloured pink on the enclosed plan should have been excluded from their registration under the unit number in question.

I should therefore be glad if you would withdraw this land from the Commissioners' registration and inform this Office when the withdrawal has been effected.

Yours faithfully

J PHILLIPS (Miss)
