I write in connection with your recent FOI request which was received on 4th May 2011. I note you are seeking access to the following information:

I would like to request details of all contracts with the Serco Group (www.serco.com) and any subsidiary companies completed or started in the financial years 08-09, 09-10 and 10-11 (or present date if year end not completed). For each contract I would like the following information:

A detailed description of the aims of the contract,

The estimated fee to Surrey Police at the outset of the contract

The actual fee paid at the completion of the work

Where a contract is expected to result in a financial saving, the estimated saving at the outset of the contract, and the actual saving realised at the completion of the project.

Your request will now be considered in accordance with the Freedom of Information Act 2000. You will receive a response within the statutory timescales of 20 working days as defined by the Act, subject to the information not being exempt or containing a reference to a third party. In some circumstances Surrey Police may be unable to achieve this deadline. If this is likely you will be informed and given a revised timescale at the earliest opportunity.

There may be a fee payable for the retrieval, collation and provision of the information you request. If this is the case you will be informed and the 20 working day timescale

will be suspended until we receive payment from you. If you choose not to make payment then your request will remain unanswered.

Some requests may also require either full or partial transference to another public authority in order to answer your query in the fullest possible way. Again, you will be informed if this is the case.

I would like to take this opportunity to thank you for your interest in Surrey Police.

Should you have any further inquiries concerning this matter, please write or contact us or telephone on 01483 - 630007 quoting the reference number above.
