29th March 2011

Dear Mr Wells

REQUEST FOR INFORMATION

We refer to your request dated 1st March 2011 requesting the following information:

Please provide copies of any documents held by the ODA which concern the mooring of boats on the River Lea (aka River Lee) and other London waterways.

Such documents may include minutes of meetings with British Waterways, and/or the Lee Valley Park Authority, and/or any other institution, in which mooring policy may have been discussed.

We confirm that we hold some of the information of the description specified in your request.

We can confirm that we do not have a Mooring Policy therefore we do not hold this information to provide.

Please find attached the Olympic Park Waterspace Masterplan and a copy of a map which sets out the British Waterways proposal for moorings. We can advise you that the British Waterways proposal is not part of the ODA scope and requires further discussion as part of the longer term regeneration of the waterways.

We do not hold any minutes of meetings between the ODA and British Waterways or Lee Valley Park Authority in relation to moorings at the Olympic Park.

MAYOR OF LONDON

British Waterways may be able to provide you with further information in relation to their proposal for moorings at the Olympic Park.

We hope this is of assistance. Under Regulation 11 you may make representations to the ODA if it appears to you that the ODA has failed to comply with a requirement of Environmental Information Regulations in relation to this request. Representations must be made in writing to the ODA no later than 40 working days after the date on which you believe that the ODA has failed to comply. You should write to the Information Officer, Olympic Delivery Authority, One Churchill Place, Canary Wharf, London, E14 5LN. If you do wish to complain, it would assist the review process if you are able to state the grounds for your complaint and to identify any relevant factors you wish to be taken into account. The ODA shall on receipt of the representations consider them and any supporting evidence produced by you, and decide if it has complied with the requirement. The ODA shall notify you of its decision as soon as possible and no later than 40 working days after the date of receipt of the representations.

If you are not satisfied with the outcome of your complaint, you may apply directly to the Information Commissioner for a decision. Generally, the Information Commissioner will not make a decision unless you have exhausted the complaint procedure provided by the ODA. The Information Commissioner can be contacted at: The Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire SK9 5AF. You have the right to appeal to the Information Tribunal if you are not satisfied with a decision of the Information Commissioner.

Yours sincerely

Information Officer
Olympic Delivery Authority
