Dear *Will* Mr Powell

I am writing in response to your email of 15th March 2013. You wanted further clarification with regard to the following points:

Your original question stated:

- 1. I would also be grateful for confirmation as to whether or not Mr Nicholas David Jones, the person appointed by the First Minister in 2011, to investigate the Robbie Powell case, formally contacted Morriston Hospital regarding Robbie Powell's Morriston Hospital computer records?"**

My response was - 'I can confirm that there is no record of a formal request from Mr Jones regarding access to the computer records of Robbie Powell'.

In your recent email dated 15th March 2013, you stated that you had not asked whether Mr Nicholas David Jones had requested 'access' to your deceased son's computer records.

Therefore to further clarify I can confirm that there is no record of Mr Nicholas David Jones formally contacting Morriston Hospital regarding Robbie Powell's Morriston Hospital computer records.

I hope my letter is helpful but please get back in touch if you feel there is anything further you want us to explain.

It is your right if you remain dissatisfied with the outcome of this matter for you to complain to the Information Commissioner's Office by writing to Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF

Yours sincerely,
