02 November 2021

Dear Mr Daniel

Thank you for your email of 22 September about visit visas.

A visit visa holder may enter and leave the UK multiple times within its period of validity unless the visa is endorsed as single or dual entry.

The visit visa will have an endorsement stating clearly whether it is multiple, single, or dual entry.

Further information about when single entry visit visas are issued can be found on page 44 of the [visit guidance](#).

Yours sincerely

Visit and Visa Policy Team
