Dear Mr. Williams,

Thank you for your enquiry of 12 October, in which you requested additional information to your previous FOI request 64506, where you requested information on Asylum accommodation. Your request has been handled as a request for information under the Freedom of Information Act 2000.

- 1. What is the name of the company who provided the report?*
- 2. Did the fire service do a report into the cause of the fire?*

Your previous FOI request (64506), was as follows: -

- 1. How much is the fire damage at Napier barracks, Folkestone.*

Response

- 1. What is the name of the company who provided the report?*
Watts Group Limited

2. Did the fire service do a report into the cause of the fire?

As the Home Office is not aware whether or not Kent Fire & Rescue Service created a formal report into the cause of the fire, you should contact them directly to obtain this information.

3. Do you have any CCTV images?

No

If you are dissatisfied with this response you may request an independent internal review of our handling of your request by submitting a complaint within two months to foirequests@homeoffice.gov.uk, quoting reference **66425**. If you ask for an internal review, it would be helpful if you could say why you are dissatisfied with the response.

As part of any internal review the Department's handling of your information request will be reassessed by staff not involved in providing you with this response. If you remain dissatisfied after this internal review, you would have a right of complaint to the Information Commissioner as established by section 50 of the Freedom of Information Act.

Yours sincerely
