## Email chain two

Hi [REDACTED],

I've uploaded a copy of the original FOI request to the Chapter FITS record.

If you could issue a response asap that would be great.

Regards,

Ivan

Hello Ivan

I am hoping to get a response on this as soon as possible. However I think I might have accidentally over saved a response from another case to this case and I cannot see the original request. Can you please re-upload the original request on this case.

Thanks

[REDACTED] / [REDACTED],

Please see email below from Mr Amis.

He originally submitted his FOI request for 'copies of all gift and hospitality registers from the National College for High Speed Rail' to DfT on the 23rd July but due to an IT issue with the What do they know.com

website we didn't receive it until the 22nd August which means the deadline date for reply is the 20th September.

Can you please let me know how this request is progressing and whether or not you would be able to issue your reply earlier than next Friday.

Thanks & Regards,

Ivan
