Dear Christian Lister

Re: Your request for information: Ref No. 6343

Thank you for your request for information that was received on 10 August 2010 in which you requested:

Under the FOIA I wish to request the following information –

Copies of all written (electronic and paper) agreements (contracts and emails) which indicate and/or approve a discounted chargeable rate between the Local Authority Land Charges office for compiled local search reports and the National Land Information Service (NLIS) which is now known as Land Data.

Further to your request under the Freedom of Information Act, enquiries have been made to the appropriate service area of the Council, who have advised as follows:

The London Borough of Southwark does not have any agreements with Land Data/National Land Information Service, relating to discounted fees for compiling responses to Local Authority searches.
