19<sup>th</sup> March 2020

Dear ,

**Noel Park Pods & Major Works Project: CORVID-19  
- Residents' consultation meeting on 2<sup>nd</sup> April 2020 postponed.**

Following recent government announcements regarding the spread of the Coronavirus, Homes for Haringey has taken a decision to **postpone the forthcoming residents' consultation meeting scheduled for Thursday, 2<sup>nd</sup> April 2020.**

Homes for Haringey continues to follow Public Health England's advice and therefore have asked their staff and appointed agents, including Engie to stop all works and surveys.

If you need to contact Homes for Haringey, please call 020 8489 5611. However, please bear in mind that over the coming weeks Homes for Haringey's contact centre may be busy dealing with emergencies and running at a reduced capacity, therefore it may take longer to get through. Alternatively, you may contact the Asset Management team on 020 8489 1778 or email [majorworksenquiries@homesforharingey.org](mailto:majorworksenquiries@homesforharingey.org).

We realise that the situation is changing day by day, however, as soon as we have more information about when the works will re-start, we will contact you again.

May I take this opportunity to wish you and your families the best of health in these challenging times caused by the current situation.

Yours sincerely

Kofi Ayeh  
Project Manager
