Brownfield land-sites owned by NHDC

Request:

The complete most up-to-date register of all brownfield land-sites owned by North Hertfordshire District Council.

Response:

Guidance on the Brownfield Register, including the Council's Brownfield Register and accompanying maps can be found on the Council's website using the below link:

<https://www.north-herts.gov.uk/home/planning/planning-policy/brownfield-land-register>

For clarity, NHDC would like to add that the Council has one Brownfield register which includes sites owned by Public Authorities. NHDC does not have a specific register for brownfield sites which are owned by the Council. However, the details of site ownership for Brownfield sites can be found on the Brownfield register by following the link above.
