

Freedom of Information Response – FOI 151/21

Your Request:

Please provide the following 6 metrics.

- The number of doses of AstraZenica's Covid-19 vaccine that the UK has used & the number of people who were double-jabbed with it.
- The number of doses of Pfizer's Covid-19 vaccine that the UK has used & the number of people who were double-jabbed with it.
- The number of doses of Moderna's Covid-19 vaccine that the UK has used & the number of people who were double-jabbed with it.

Clarification provided by the requestor: As stated in the subject but not the message, the request is for Northern Ireland's metrics. I apologise for confusing the request by stating "UK".

PHA Response:

The Public Health Agency (PHA) has considered your information request and our response is provided below.

PHA does hold information regarding Covid-19 vaccination status, however, we are applying Section 21 of the Freedom of Information Act (Information Accessible to the applicant by others means) as this information is publicly available on the Department of Health NI Website.

For ease of reference, please see page 7 of the following link.
