Dear Mr Harris,

Thank you for your Freedom of Information request which we received on the 12th February.
You asked:

Please can you tell give me the publication history of the document "ESA to JSA Transitions" ?

Below is a list of the publication history of the ESA to JSA Transitions guidance. Some of these instances have been published where a broken hyperlink has been fixed. By a hyperlink we mean a direct link to another web page or document. In these cases there would have been no change in the actual content of the document. As such I have enclosed copies of the guide where there has been a change in the content and left out those which were published to fix a broken hyperlink.
