Dear Mr Mediato,

Your request was received on 15 November 2024 and I am dealing with it under the terms of the Freedom of Information Act 2000 ('the Act'). You asked:

*Could you please provide the examiners' report for NST Part III physics exams in the calendar year 2023-2024.*

The requested information is attached. Minor redactions of personal data have been made under section 40(3A)(a) of the Act because the release of the redacted information would breach the first data protection principle (the fair, lawful and transparent processing of personal data) as set out in the UK General Data Protection Regulation. This part of section 40 confers absolute exemption under the Act. Please note that the attached document should not be copied, reproduced or used except in accordance with the law of copyright.

If you wish to request an internal review of this response, you should contact us quoting the reference number above. The University would normally expect to receive your request for an internal review within 40 working days of the date of this letter and reserves the right not to review a decision where there has been undue delay in raising a complaint. If you are not content with the outcome of your internal review, you may apply directly to the Information Commissioner for a decision. Generally, the Information Commissioner cannot make a decision unless you have exhausted the internal review procedure provided by the University. The Information Commissioner may be contacted at: The Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF (<https://ico.org.uk/>).

Yours sincerely,

Zoe Allwood
