Dear Mr Taynton,

Your request for information under the Freedom of Information Act 2000

I am writing further to your request for information regarding cryptoware attacks.

I can confirm the following in response to your request:

- 1. Please state how many times software files have been encrypted by "cryptoware" or ransomware that infects a machine and encrypts files.**

None.

- 2. State how many times you have paid ransoms to unencrypt the files**

None.

- 3. State the total cost of these ransoms, if any:**

£0.

This letter confirms the completion of this request. A log of this request will be held on a database held by the Trust.

If you are unhappy about the response you have received your first line of action should be to write to request that the Trust undertake an internal review of your application. A senior member of staff, who was not involved with your initial application, will undertake this review. If after this process you are still not satisfied with the response you receive from the Trust you can complain to the Information Commissioner at the following address:

Information Commissioner, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF
