Dear Mr Alam,

Re: Freedom of Information (Scotland) Act 2002 – Request for Information

Thank you for your email which was received by the University on 24 April 2013 timed 11:48 hours and your subsequent email received 30 April 2013 timed 22:44 hours, requesting further information in conjunction with Q1 and Q2 of your original request.

Email dated 24 April 2013 timed 11:48 hours:

Under the terms of the Freedom of Information Act, I kindly request some data from you regarding the numbers of graduates on the standard 5 year courses which are also available to school leavers.

For clarification, by this I mean students who have previously completed an Honours degree or higher prior to entry onto the following courses where appropriate:

A100 Bachelor of Medicine and Surgery
A200 Bachelor of Dental Surgery

My request is in three parts:

- 1) How many students do you currently have enrolled in each year group?
- 2) How many of these students are graduates (as defined above)?
- 3) What are the exact numbers of graduate students who were wrongly offered Tuition Fee Loans by the Student Loan Company and then had to pay fees up front to the University over the past 3 years?

Email dated 30 April 2013 timed 22:44 hours:

I apologise for this but I forget to add two additional questions to my enquiry:

Q4) How many graduates (as previously defined) applied (including 2013 entry) broken down into each UCAS cycle for the past 5 years? This should be done in conjunction with Q1 and Q2 so they all line up with each other.

Q5) How many of the above were offered interviews broken down into the same manner?

As the University of Glasgow is a Scottish Public Authority, your request is subject to the terms of the Freedom of Information (Scotland) Act 2002 ("FOISA"). The University acknowledges receipt of your request and confirms a response will be sent to you promptly; and in any event not later than 30 May 2013. The Freedom of Information Office will contact you if we require any further information.

Yours sincerely,

Data Protection and Freedom of Information Office
